

Regulations for fees related to the curricula at Collegium Da Vinci

§ 1

General provisions

1. During the whole period of the studies, a student of Collegium Da Vinci in Poznan, a higher university entered into the Register of Non-Public Universities under the item number 90 (hereinafter referred to as the “**University**”), undertakes to make payments applicable to the selected major.
2. The student shall pay tuition fees, interests and additional fees resulting from the tables included in Appendix 1 to these Regulations, hereinafter referred to as the “Tables of Fees”, by bank transfer to the individual bank account specified in the Agreement and stated on the student's individual account on the Virtual University portal (<https://wu.cdv.pl>). The Student may be requested to send the document which constitutes the evidence for effecting the payment via e-mail.
3. The Student shall give their consent to deliver any letters, notifications and decisions by means of the Virtual University Platform and the University electronic mail.
4. Individual decisions in financial matters such as: change of the payment deadline, cancellation of debts, repayment of debts by instalments or change of the instalment plan with the exception of § 4(4) - shall be taken by the Vice Dean.

§ 2

Tuition fee

1. The tuition fee as well as the additional fees indicated in the Tables of Fees shall be deemed to constitute all the fees for studying one major.
2. Collegium Da Vinci may introduce changes regarding the amount of the tuition fee included in the Tables of Fees by way of organised discounts, whose detailed rules are specified in the Regulations for Promotions for the given academic year.

§ 3

Additional fees in the course of studies

1. The amounts of additional fees following from the course of studies shall be stipulated in the Tables of Fees.
2. In the event of failing to pass the module, the Student shall make an additional payment for its repetition. The said payment should be made no later than the date indicated in the information about the conditional registration for the next semester.

3. A student who is required to make up for curriculum differences due to a change in the curriculum shall make the payment in accordance with the tables of fees. The said payment should be made no later than the date indicated in the information about the curriculum differences for the next semester.
4. An additional payment shall be made by the Student when, upon consent given by the Vice Dean, he/she covers additional modules which do not constitute part of the curriculum including the extra language module and e-learning modules. The student shall pay the administrative fee within 30 days from the date of delivery of the decision on the matter. The fee covers the administrative costs related to the assignment service and the student's support in the selected module.
5. A student placing an order for a duplicate student card through the Virtual University platform is required to make the payment within 7 days. Once the formalities are completed, the student ID card is issued to the Student within 14 working days of the submitted order. The system shall not allow for the cancellation of the order.
6. A Student is obliged to make a payment for the issuance of a duplicate copy of the university graduation diploma, as well as the diploma supplement and additional copies and supplement in a foreign language compliant with the Tables of Fees.

§ 4

Tuition fee payment scheme – the number of instalments

1. A Student shall pay the tuition fee within the set deadlines, in accordance with the payment scheme declared by them. The first payment scheme declaration shall be specified in the Agreement.
2. The tuition fees for an academic year may be paid according to one of the three options of the instalment system: 1 instalment (payment in advance for the entire academic year), 2 instalments (semester payment twice per academic year) or 12 instalments (monthly payment for each month of the academic year), according to the student's choice.
3. Pursuant to Art. 66 from the Journal of Laws of 2023.0.742, i.e. the Higher Education and Science Act of 20 July 2018 - Law on Higher Education and Science – the academic year shall last until 1 October 30 September.
4. A student may change the payment system (number of instalments), as shown in the signed agreement on the terms of payment for studies until:
 - a) 30 September in the case of a change of payment for the winter semester,
 - b) 31 March in the case of a change of payment for the summer semester.

The change of the payment system takes place on the basis of the submitted application. Until access to the student's Virtual University portal is granted, the application must be submitted to the Enrolment Office by email to rekrutacja@cdv.pl, in person or via the enrolment portal. Once access has been granted, the application can only be submitted via the 'Applications and Decisions' tab on the Virtual University portal.

5. The University reserves the right not to refund any overpayment of tuition fees to the student, resulting from

the change in the payment system referred to in section 4 above. The overpayment of tuition fees shall be credited against the student's future debts to the University.

§ 5

Payment dates

1. The date of receipt of the funds on the individual bank account given in the Agreement to the Student shall be deemed to serve as the date at which such due payment should be made.

2. The deadlines for the payment of the tuition fee are as follows:

- a) for payment in the single instalment system - annual fee - by 5 October of the academic year for which the fee is paid,
- b) for payment in the two-instalment system – semester fee - by 5 October of the academic year for which the fee is paid, and by 5 April of the academic year for which the fee is paid.
- c) for payment in the 12-instalment system – monthly fee - by the fifth day of each month, commencing from the month of October of the academic year for which the fee is paid.

3. The Student who begins their studies at a later time than the beginning of the academic year, in the event of admission to the studies after the expiry of the deadline for the payment of the tuition fee for a given month, is obliged to pay the tuition fee and the fee for the remedial education, which covers the period of absence of the student from the date of commencement of the course of studies to the date of admission of the student, within 7 days of the date of admission to the studies.

4. The fee for the remedial education is equal to the amount of the tuition fee due for the period of absence of the student, and the sum of the fee for the remedial education and the tuition fee may not exceed the total payment related to the tuition fee for a given academic year.

5. The remedial education is, in particular, understood as: the possibility of individual consultations with the teachers with regards to the material covered during the classes which were held before the admission of the student to the studies, by making the covered material available to them on an individual basis and by indication of the manner in which the students can make up for this knowledge. The organisation of individual courses for the Student does not fall within the scope of the remedial education.

§ 6

Payment delays

1. Statutory interests shall be charged for each day of delay in the payment of the tuition fee.

2. If any due and unpaid fees are found, the University may call the Student to pay them by sending reminders by electronic mail.

3. In the case of any arrears on the individual account of the Student, the University shall credit the payment first to the earliest arrears that fell due.

4. The removal from the register of students resulting from the failure to make payments for the studies shall take place in the form of the administrative proceedings, which the University shall open in the event of finding any due and unpaid charges upon the prior call of the student to pay the amounts due.

5. In the case of any delay in effecting payments, the University may contact the student in order to notify him/her of the state of arrears and shall arrange the repayment rules. The University shall not request compensation for the costs of such a notification and the reminder may take place not more often than twice a month. Notwithstanding the institution of the proceedings referred to in para. 4 above, the University may undertake activities aimed at recovering the outstanding payments.

§ 7

Leave

1. The Student who was granted leave from courses by the Vice Dean for reasons referred to in § 13(2)(c) of the Study Regulations and applied for the aforementioned leave before 5 October in the case of the leave starting from the winter semester, or before 5 April in the case of the leave starting from the summer semester, shall not pay the tuition fee for the semester during which he/she is granted leave.

2. The student who was granted consent from the Vice Dean to be on leave from University courses for other reasons and applied for the said leave within the time limits specified in para. 1, undertakes to pay the tuition fee for the period from the beginning of the semester till the date of granting of the leave to them.

3. The Student, who changes the year group with which they implement the further curriculum as a result of their return from the leave, shall pay the tuition fee in accordance with the concluded Agreement.

4. The Vice Dean, upon request of the Student who is on a leave shorter than the semester, may exempt them from the payment of fees during the leave period.

5. The student who resumes the studies after the leave, and who is obliged to make up for differences in the curriculum should pay for these classes.

§ 8

Repetition of the semester

1. The Student, who repeats a semester shall pay the full tuition fee for this period.

2. The Student who, in connection with the repetition of a semester which did not take place after the resumption of the studies, changes the year group with which they implement the further curriculum in connection with the repetition of the semester, shall pay the tuition fee in accordance with the Agreement

§ 9

Removal from the register of students and resumption of the studies

1. The removal from the register of students, in the case of resignation from the studies, shall take place on the basis of the submission of written resignation by the Student in accordance with the Study Regulations, whereby the removal takes place on the day indicated in that resignation, save for the fact that the resignation must not take place earlier than on the date of receipt of the resignation by the University, and if the Student has not indicated that day - on the date of receipt of the resignation by the University.
2. The removal from the register of students, also in the case of resignation from the studies, shall not exempt the student from the obligation to pay all the required amounts due calculated for the period until the date of removal, and arising from the provisions of the Agreement.
3. The Student who has been removed from the register of students during a semester, also in the case of their resignation, undertakes to pay the tuition fee for the period from the beginning of the semester till the date of removal. If the removal from register of students took place for reasons attributable to the student, in particular, when the student resigned or did not undertake the studies and did not notify the University of this fact until 4 October, the student undertakes to remedy the related damage incurred by the University in the full amount.
4. In the event of removal from the list of students, in particular, if the student has resigned or has not commenced studies after a dean's leave within the first two months of the current semester, the additional fees accrued during this period shall be cancelled.
5. If the Student resigns from the studies by the fourth day of a given month, the University shall not charge the tuition fee for the aforementioned month and the Student shall not pay the tuition fee for this month. If the Student resigns from the studies after the fourth day of the month, the Student shall pay the tuition fee for this month.
6. The Student, whose year group with which they implement the further curriculum is changed in connection with the removal from the register of students and resumption of the studies, is presented with a new Agreement or annex to the previous Agreement including the applicable Fee Regulations, which correspond to the payments specified for the year group with which the student implements the further curriculum after being re-entered into the register of students.
7. The removal from the register of students resulting from the failure to make payments for the studies shall take place in the form of the administrative proceedings, which the University shall open in the event of finding any due and unpaid charges upon the prior call of the student to pay the amounts due.
8. Removal from the register of students takes place by way of an administrative decision. The decision referred to in the preceding sentence may be repealed against.
9. The Student, who resumes the studies, undertakes to pay a fee for the resumption of the studies in the amount specified in the Tables of Fees to these Regulations.

10. The student who resumes to the studies after the leave, and who is obliged to make up for differences in the curriculum should pay for these classes in accordance with the Table of Fees.

§ 10

Change of major, change of the form of studies

1. The student who changes his/her major or form of studies shall pay the fees in the amount established for the new major or form of studies, starting from the month in which he/she commenced the studies in this new major or form.

2. The student who changes his/her major or form of studies, and who is obliged to make up for differences in the curriculum should pay for these classes in accordance with the Table of Fees.

§ 11

Undertaking studies as a consequence of moving from another University

1. The Student who commences studies at the University as a consequence of movement from another educational institution undertakes to pay the enrolment and entry fees.

2. The Student who commences the studies in a manner specified in para. 1, undertakes to pay the fee for the remedial education and the tuition fee based on rules stipulated in §5(3-5).

3. The student who undertakes the studies in a manner stipulated in para. 1, and who is obliged to make up for differences in the curriculum should pay for these courses based on rates included in the Table of Fees.

§ 12

Enrolment fee

1. The enrolment fee shall amount to PLN 85.

2. Collegium Da Vinci may introduce changes regarding the amount of the enrolment fee by way of organised discounts, whose detailed rules are specified in their respective regulations.

§ 13

Final provisions

1. The Fee Regulations shall enter into force from the academic year 2024/2025.

2. These Fee Regulations shall apply to students who concluded the agreement on terms of payment for the studies in the academic year 2024/2025. The students who pursue their studies based on agreements concluded for earlier academic years shall pursue the aforementioned studies in accordance with the Regulations which constitute appendices to these agreements.
